## Soul Winning With The Sealy's

June 2015

### Changed By A Look

***"How you believe God perceives people will determine how you respond to them."***

**J. Heasley**

***John 15:16 – "Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit,"***

In a world which grows more troubled with each passing day, there is a real need to first of all **Look At The Lord**. *"In the year that king Uzziah died I saw also the Lord sitting upon a throne, high and lifted up."* (Isaiah 6:1) Secondly, **Look At The Law**. The law is a mirror which shows God's holy standard and just how far short of that standard the entire human race has fallen. Death and hell are the dwelling place of those who die in their sin. Thirdly, we need to **Look At The Lost**. I need to see them as Jesus sees them. (John 4:35) I need to do something about it. Jesus did.

I need to **Look At The Love**. Jesus warned against leaving our love for Him (Revelation 2:5) When we love God, we love the things He loves. He loves a world lost in sin. Has my love for God grown cold? Is that the reason I do not bear witness for Him. Finally, I need to **Look At The Launch**. Jesus invited His disciples to launch out into the deep and fish for men. (Luke 5:4) Have I launched out? What am I doing to reach people for Christ?

### **Furtherance News**

We had planned to take some time off the road the first of the year, but it never materialized. We were as busy as we have ever been. We preached, conducted a wedding, spoke at several funerals, visited people in hospitals and shared Christ with many. I have had the joy of seeing people saved. We traveled many miles to accomplish this.

We have been able to get some time off the road just before our busy schedule begins for the summer. You have prayed God would fill our schedule and He certainly has. Thank You!

### **Light Spot Coffee House**

Theresa and I were invited to sing and share at a quaint spot in Saint John, NB. We had never been there before. God met with us in a powerful way and we praise His name for this. We will return to the Light Spot in August.

### **Pastor Paul Gives It All In Blackville, NB**

Paul Inman has been a faithful pastor in a difficult area. He and his wife Joyce are faithful servants of God. He is an author and Bible teacher. Blackville, NB is no metropolis. Pastor Paul did a great job advertising the meetings and people travelled long distances to be there. We sensed a deep working of God's Spirit. People made things right with God and others left pondering the great message of salvation. We return in November.

### **Special Wedding**

I conducted a wedding in Maine for a great young couple. I had led the bride to Christ earlier and the groom rededicated his life to Christ. This Christian wedding was used to present the gospel to all who gathered.

### **Moncton Bible Study On Summer Break**

We were pleased with the outreach of the Bible Study in Moncton. Although this is nearly a six hour drive for us, it has been a delight. We met on Thursday nights until the end of April. Pray we will have wisdom to know what to do about this study when Fall rolls around.

### **Ed's Song Released As A Single Later This Summer**

An established recording artist has recorded one of our songs. "Umbrella In The Rain" is schedule to be released as a single later on this Summer. We have listened to the finished recording and we are pleased with the interpretation and beautiful arrangement of our song. When the artist releases the song we will provide you with more details.

Ed's CD "New Tracks" features the original song "Umbrella In The Rain".

## Health Happenings

Theresa has been healthy since 1998. She went in the hospital a few weeks ago for some routine testing and has been sick ever since. Her fever reached a point where she was close to having convulsions. She spent five days in the hospital, but is not fully recovered yet. We were back to the doctor today and more tests have been ordered. Your prayers are appreciated.

## In The Movies

A video was shot at a recent fundraiser. It was not a professional video shoot. However, we did take two songs from our part of the fundraiser and posted them on YouTube. Feel free to take a peek. A lot of people have stopped in at YouTube to pay a visit.
