

## Soul Winning With The Sealy's Newsletter

June 2016

**2 Cor 5:17** *"Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new."*

**Rev 21:1** *"And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea."*

**Mark 14:24** *"And he said unto them, This is my blood of the new testament, which is shed for many."*

### All Things New

God is referred to as the Ancient of Days and yet He rejoices in new things. I received a new life on January 28<sup>th</sup>, 1978. It placed me on a road of new beginnings. God gave me a new calling when He called me to preach the Gospel. He gave me a new hope with His promise of a new heaven and a new earth. The age ends with God making all things new. Rev 21:5 *"And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write: for these words are true and faithful."*

***"Don't fear failure so much that you refuse to try new things. The saddest summary of a life contains three descriptions: could have, might have, and should have."*** Louis E. Boone

### A New Location

We have prayed for many years for our ministry to find its own home. It has been in our house for eighteen years. We were approached by the Wakefield Baptist Church to purchase their closed facility. The building is about twenty five years old and has had a new roof, windows and doors in the past two years. We could not afford the purchase price, but the people of the church felt God was leading them to place this building in the hands of our ministry. Finally, we received a call that the people had voted to give us the building. Praise The Lord!

We are hoping to be in the building by the time you get this letter. The building will initially be used for office space. However, we plan to use the building to conduct Evangelism Training Seminars and to produce materials to help people better share their faith. We plan to make a prophets chamber as a place of rest for God's servants. Outreach Concerts will be held in this building. This beautiful facility will greatly enhance our music ministry by providing a place to produce much of our music. Our next Newsletter will give more details on our complete plans for the building.

Furtherance Ministries would like to thank the leadership and members of the Wakefield Free Will Baptist Church for this unspeakable gift.

Thank You for this honor. We are humbled by this award and feel so undeserving.

### A New Recording

Ed's song "**Umbrella In The Rain**" was recently released as a single by country artist Brent Williams in January 2016. Brent released the music video for this song in March 2016 and can be viewed on YouTube. The song can also be downloaded from iTunes and CD Baby.

### New Supporters

We have had some faithful supporters promoted to glory this past year. We have never asked for money but would so much appreciate new supporters stepping up to fill the vacancy.

### Buck Satan

Can you imagine what would happen if every one of our Facebook friends sacrificed one cup of coffee or a Coke just once a week and sent us their sacrifice each month? I have more than 1800 friends on Facebook. That would represent more than seven thousand dollars per month. We would hire another Evangelist. A church of fifty people would represent \$200.00 per month. This is manageable.

I am going to call these supporters "**Buck Satan**" supporters. James says we are to resist or buck Satan and he will flee. Most all of us waste a buck during the week. Why not invest that buck in reaching a lost world for Christ?

Many organizations ask for money to build buildings, but we have been given one. Many organizations ask for huge amounts of money. We ask for nothing, but we only suggest a buck and only if the Lord leads and you are concerned for souls. One cup of coffee sacrificed per week could result in a team of evangelists being sent out into the harvest fields. Want to Join? Let us know.

### Inside Our New Location

These pictures will help you to see the building. On the front page is a picture of the building from the front. The upper left picture shows the building from the back. The top right and middle left pictures show the main auditorium from both ends. At the back right you can see the office. The last three pictures are of the downstairs. You can see the opening to the kitchen. Behind the rainbow on the wall is two bathrooms. At the other end you can see three classrooms. All furniture remains. These pictures were taken before we moved in.

## **What has Furtherance Ministries meant to Me?**

***From a young lady who worked at Hampton Bible Camp in the summers when Ed was the speaker***

"Hi Ed, It was so nice to see you and your wife this weekend. It was so very refreshing.

So here is the story of my mom. She lived in a nursing home since August of 2014. In being there, she had a roommate who was not a Christian. Her name was Sandy. When my mom would be unsettled she would ask them to put her CD in of you singing. She did not have headphones so it kind of forced her roommate to hear it as well. Well in doing so she and my grandmother Myrtle had the privilege of leading Sandy to the Lord. Just by listening to your music. Sandy saw how it changed my mom and it settled her. We were able to get Sandy a Bible and she has that Bible even now and likes to read it. I stopped in and saw Sandy this past Saturday and she stated that she really misses mom and especially the music she used to listen too. During the month of March, mom was hospitalized and again at night she would be rather anxious and they would have to call Johnna to come and calm her down. Johnna would tell them to put her headphones on her with your cd going and again she would settle right down. Thank you Ed for your ministry in music. I thank the Lord for sending me to Hampton Bible Camp for the two summers I was there and being able to have met you. Your music is now relaxing my daughter and myself. Mom passed away March 30, 2016."

### ***Report's From Ed***

- Before I spoke in Sunday School this past week, a man in Sunday School shared how his wife was speaking to someone about spiritual matters and she replied, "I was saved under Ed Sealy's ministry."
- On October 20<sup>th</sup> last October, I lead a man named Peter to Christ. He was diagnosed with cancer and passed away recently. I was honoured to do his funeral. I am looking forward to seeing him in heaven.
- My mother passed away in January of this year at 88 years of age. We had about a week with her before she slipped into the arms of her Saviour. All of her 9 children gathered around her bed in the senior's home and sang for her. Mother loved music and she knew the Lord as her Saviour. Wheel chairs, motorized carts and staff lined up in the hallway to come in disbelief as they watched a family sing their mother home. I have a video of mom singing "How Great Thou Art" with us just before she died. Mom asked me to officiate at her funeral. It was the most difficult thing I ever done in my life. The place was packed as they came to pay their respect to a lady who exemplified Jesus in such a powerful way. Her children up and called her blessed. How I miss that dear lady who was the glue that held us all together. Mother's calmness in the storms of life was unbelievable. People trusted Christ at her funeral service.

Keeping on keeping on for Christ,

Ed and Theresa Sealy
