### Furtherance Ministries Celebrates 20 Years of Evangelism

“I believe that entertainment and amusements are the work of the Enemy to keep dying men from knowing they're dying; and to keep enemies of God from remembering that they're enemies.”

*A.W. Tozer*

“We should be more concerned with reaching the lost than pampering the saved.”

*David McGee*

“Everything in Scripture is either preparation for the Gospel, presentation of the Gospel, or participation in the Gospel.”

*Dave Harvey*

This fall is the twentieth Anniversary of Furtherance Ministries. What is the significance of the number 20 in the Bible? One commentary suggested it means expectancy and redemption. I looked at two references to the twentieth period in the Bible. Jacob served his uncle Laban for twenty years before he got the wife of Jacob's choice. (*Gen. 21:38,41*) I can see the expectancy in his life. *Judges 4:3* records how the nation of Israel waited 20 years to be delivered from Jabin's oppression. I can see release or redemption in this passage. I am going to agree with the one who said it means expectancy and redemption.

We are **expecting** a bright future for Furtherance Ministries as we keenly expect to see many souls **redeemed** for the Glory of God.

I have been actively involved in evangelism for 40 years now. As a pastor for five years, I have sought to evangelize a community. I have also taught evangelism at Bible school for nine years. It is hard to believe it has been 20 years now since we founded Furtherance Ministries.

## The Maritime and Maine Tour with singer Dave Mumford

The above photos are just samplings of the outreach. We have covered all of Canada this year and it is only June. Souls have been saved and Christians challenged.

**Two outreaches were conducted between February and June.** Our first outreach was across Canada and back. The second outreach was 20 concerts around the Maritimes and Maine where the gospel was presented after the concerts.

Furtherance Ministries is a charitable organization registered with the Government of Canada. Ed, along with a Godly board of directors, give direction to this ministry. It is a faith mission supported by the donations of churches and individuals. Furtherance has two paid employees. The ministry began in our mobile home and now resides in its own comfortable office in Wakefield, NB. We believe we are an arm of the local church and nothing more. We travel around the globe preaching the gospel of Jesus Christ. We also provide training for people on how to share their faith with others. Ed is a songwriter, singer and uses this talent as a vehicle to proclaim Christ. In August, Ed will travel to LeMars, Iowa to receive two more awards. Here is an email from The Traditional Country Music Association in North America which has a gospel category. Here is a note from the association:

*Hi Ed, I just received the first announcements from the Rural Roots Music Commission for their CD of the Year Award. They selected your "Winter Coat" for their "Original Gospel CD of the Year Award." I reviewed it Sept 19, 2017 and passed it along to them. They give the awards away at our 43<sup>rd</sup> Annual National Old Time Music Festival in LeMars, Iowa, Aug 27 – Sept 2, 'any day you choose' since you have to be there to accept. You have an expectational CD, I can understand why they picked it. The Rural Roots Music Commission still make one more announcement for any CD's they need to listen to between now and Aug 15. Congratulations on yours. Let me know your plans. Bob Everhart.*

As well, we will also be inducted into their Hall of Fame.

## The Future of Furtherance

To honor twenty years of ministry we are seeking to launch a major thrust into a darkened area of New Brunswick. We will announce the area in our next Newsletter. This outreach will take place for the entire month of May 2019. We are seeking to raise \$20,000 for a massive thrust. Should the Lord bless this outreach with many souls, a new local church could be established. You can begin to pray now. Should the Lord impress you to give, contact our Administrative Assistant who can help you with the method of payment (See contact info).

### DVD A Success

This is the first DVD produced at Furtherance. It is now in its third production run. This is my testimony. We heard of people trusting Christ after viewing the presentation. This is a DVD you can share with friends who can view it in a non-threatening environment. Many churches have shown this DVD with great reports. Contact Furtherance for your copy. We suggest a \$10.00 fee to cover production and shipping of this witnessing tool.

### Tips For You To Share Your Faith

#### Tip #1

Place a good tip inside a gospel tract and leave it at your restaurant table. Make sure it is visible.

#### Tip #2

Before you leave your motel room, take out the Gideon's Bible and turn it to John 3:16. Underline the verse before placing a gospel tract and generous tip in the Bible.

Watch for special announcements in our November Newsletter. Thanks for your prayers and faithful support of what God is doing through Furtherance Ministries. Budget is our only limitation. Have a blessed summer. Pray God will use you to share Christ in the areas in which you travel this summer.

Keeping on keeping on for Christ,
