A Healing

“But sanctify the Lord God in your hearts: and be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear:”

I Peter 3:15

“Can we be casual in the work of God — casual when the house is on fire, and people in danger of being burned?”

Duncan Campbell

“Not till I die or till Jesus comes will I ever be eased of this burden, these tears, this toil to save souls.”

John R. Rice

As many of you know, I was diagnosed with prostate cancer last September. Last spring, I had returned from a Canadian tour with a fair amount of discomfort. The medical people began an investigation. After a lot of grueling testing, we found the problem. The cancer doctor advised me to think about the procedure I would prefer to deal with this menace. I could choose between surgery, radiation, implants, etc. The doctor ordered an MRI for January 2019. The night before the MRI, I spoke at prayer meeting. Just before I left, all the people in prayer meeting came over and laid their hands on me and prayed over me asking God to remove the cancer. A month later I got the results of the MRI. It showed no cancer outside the prostate. However, my cancer doctor was still persuaded that the cancer could be inside the prostate and not show up on the MRI. She then did a very thorough biopsy which was not very pleasant. I waited about a month for the results. The night before I received the results, I confessed to the Lord that I had not made a choice of treatment and that I was negligent in giving proper care to the body He gave me. The next day I sat in the doctor's office not knowing how I would respond regarding my choice of treatment. As the doctor came into the office, she seemed to be in a jovial mood. She

opened her file and told me, **“there is no trace of cancer.”** She was elated. I cannot say I am cancer free because we did not investigate the entire body. We do know there is no cancer in the prostate. It is my conviction that God has healed me. I took no treatments nor any medication. My verse before and through that entire time is, **“Be still and know that I am God”** (Psalm 46:10). I praise His precious name for this extension of life. Out of gratitude I embrace the words of the hymn writer, **“Take my life and let it be consecrated Lord to thee.”**

It was difficult to book meetings early in the year as we had to wait on doctors and medical procedures. Since we had to cancel meetings in the fall because of hospitalization and special appointments, we were hesitant to have churches go through promotional cost and having to cancel. However, we did get out to several meetings. We travelled to Cape Breton to work with Pastor Rob Jones. We believe God is going to do a work in Cape Breton. I sang and spoke at an International Coffee House. I must say I was surprised at the response. I was also interviewed for an hour on radio. I continued serving in two small churches within a half hour of where I live. This allowed me to keep medical appointments while doing the work of a full-time pastor. I visited door-to-door, did youth work and preached. I have had meetings in Cornish, Lincoln, Bradford and Harmony, Maine. Our schedule is full until the end of June.

A 2000-mile trek into Quebec and Ontario resulted in a request to return, as soon as possible. We will make that tour in November. I will be at the Stampede in Alberta the end of our June schedule. We have witnessed folks getting saved and many decisions amongst Christians for which we praise the Lord.

Bathurst NB Project October 2019

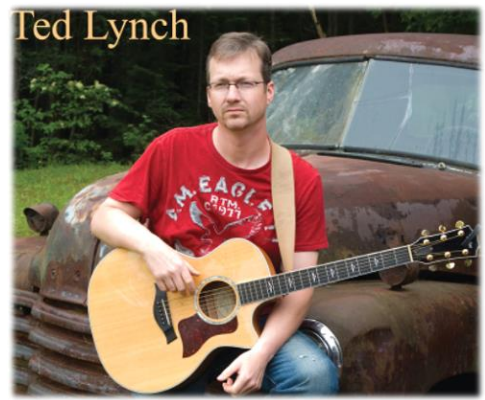

Furtherance Ministries is going to the town where I was born. I feel I owe this city my gratitude. I have been humbled to win several awards over the years. I have been inducted into both the American Traditional Country Music Hall of Fame and the NB Gospel Music Hall of Fame. I was also voted Male Artist of the Year in 2004. I cannot help but feel my upbringing in the Bathurst area helped provide the experience for my songs. Bathurst also launched me in a spiritual direction which has totally changed my life. The Furtherance Team wants to share that message of life and hope with the city.

We originally planned the outreach for May, but some difficulties including some health issues forced us to change the date to October 23 - 27, 2019.

Joining Our Bathurst Team in October

Michelle Houle is a very powerful communicator. He is fluent in both English and French and has been serving the Lord for more than 30 years. He has served as an elder for 15 years in Sherbrooke, Quebec. He then worked with Fellowship French Mission planting a church in Bury, Quebec. He has been pastoring in Sawyerville, Quebec since 2008. He is married with three children. Michelle brings a comforting message of hope.

Ted Lynch tells a tremendous true story of how a broken life can be transformed by Jesus Christ. He is an example of hope to everyone of what God can do with an individual that surrenders to His will. Lynch is a song writer and singer of the Gospel and motivates people toward Christ's abundant grace. Ted is a Christian Nashville Recording Artist and evangelist with success in radio/satellite in Canada and the United States.
